## PERO ENGINEERING AND SALES COMPANY, INC.

801 2ND STREET NORTH, SUITE D  
 SAFETY HARBOR, FL 34695

- **Membrane Filtration Systems:** RO, Sea Water Desalination, Nano, and Ultra Filtration
- **Zero Liquid Discharge (ZLD) Systems**
- **High Efficiency Reverse Osmosis (HERO)**
- Ion Exchange, EDI, Media Filters

- **Steam Boilers,** 50 - 300 hp, Low NOx, fast acting
- **Hot-Water Boilers,** 50 - 300 hp
- In-Service **Efficiency Studies, On-Line Maint**

- **Tube Belt & Troughed Conveyors**
- **Belt & Chain Bucket Elevators**
- **Hot material Apron Conveyors**
- **Bulk loading Feeders, Metering, Shut-off**
- **Bag Handling** Loading/Unloading

- **Wastewater Treatment Systems**
- Screening, Clarification, Dewatering, Oil/Water Separation, Sludge Drying
- Lamella®, Hycor®, Heixpress®, Dyna Sand Filter®, Gritmeister® Separator, ThermoSystem Solar Dryer
- Biolac® Activated Sludge Processing System

- **OEM Valve Replacements**  
(CRANE, Chapman®, Flomatics®, Jenkins®, Pacific®)
- **Replacement Parts for OEM Valves**

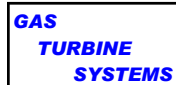

- **Stranco® Chemical Feed Systems**
- pH & ORP Controllers, **PolyBlend®** Polymer Feed

- **Metal, Rubber, & Fabric Expansion Joints**
- **Combustion Turbine and HRSG**
- **FCCU & Refinery** Expansion Joints
- Inspections, On-Site Services

- **Gas Turbine Generator Systems,** 3-25 MW
- **Engine-Generator Systems,** 300 KW-2 MW
- **Cogeneration & CHP Plants**
- **Combined Cycle Plants**
- Fixed and Mobile **Peaking Power**
- **Renewable Energy Solutions** (Biogas & Landfill Gas)

- **Gas Turbine Inlet Air Filtration Systems**
- **Gas Turbine Inlet Acoustic Systems**
- Consulting Services & Engineering

- **Electrostatic Precipitators - Wet & Dry**
- **ESP Rebuilds, Repairs, and Upgrades**
- Pollution control **Bag Houses**
- Inspections, Engineering, Replacement Parts
- **Fabrication & Construction Services** (Structural, Duct, Hoppers, Casing, Access)

- **HRSG's** (Combined Cycle, Cogen)
- **Catalyst Systems** (Simple Cycle, HRSG)

- **Spray and Tray Deaerators**
- OEM retrofit **Trays & Spray Valves**
- **Blowdown and Boiler Feed Systems**

- **Cooling Towers**
- **Air Cooled Condensers**
- **Inspections, Repair, and Rebuilds**
- Turn-Key Cooling Projects

- **Steam & Water Coil Air Heaters**
- **Gas Turbine Inlet Cooling and Heating Coils**

- **Turbine Inlet Chilling Systems**
- **Thermal Energy Storage Systems**
- Engineered Heating and Cooling Systems

- **Feedwater Heaters**
- **Steam Surface Condensers** & Auxiliary Items
- **Steam Bypass Condensers**
- Customized Heat Exchangers
- Solar Power Plant Heat Exchangers

- **Bottom Ash Systems:** Dry, Sluice, Vibrating, Flight
- **Fly Ash Systems:** Vacuum and Pressure
- Fly Ash Separating Equipment, Silos, Unloading
- **Dry Sorbent Injection Systems**
- **Reagent Handling Systems**
- Genuine UCC Replacement Parts, OEM Retrofits
